**FITZSIMONS VILLAGE METROPOLITAN DISTRICT NO. 2
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District was organized in July 2006 for the purpose of financing and providing public improvements and related operations and maintenance services within and outside of the boundaries of the District. The public improvements include streets, safety protection, park and recreation facilities, water, sewer, transportation and mosquito control. When appropriate, these improvements will be dedicated to the City of Aurora, Arapahoe County, or other such entities as appropriate for the use and benefit of the District taxpayers and service users. The District was organized in conjunction with two other related districts, Fitzsimons Village Metropolitan District No. 1 (District No. 1) and Fitzsimons Village Metropolitan District No. 3 (District No. 3). The District's service area is located within the City of Aurora, Arapahoe County, Colorado.

On May 2, 2006, District voters approved general obligation indebtedness of \$382,440,000 for street improvements, \$382,440,000 for parks and recreation, \$382,440,000 for water facilities, \$382,440,000 for sanitation system, \$382,440,000 for transportation, \$382,440,000 for mosquito control, \$382,440,000 for traffic and safety, \$382,440,000 for fire protection facilities or services, \$382,440,000 for television relay and translation facilities, \$5,000,000 for operations and maintenance, \$382,440,000 for intergovernmental contracts and \$382,440,000 for debt refunding. The District's service plan prohibits the District from providing fire protection and television relay and transmission facilities and services unless they are provided pursuant to an agreement with the City of Aurora. The election also approved an increase in ad valorem property taxes of up to \$5,000,000 annually and allows the District to collect fees of up to \$382,440,000 annually for operations and maintenance. The District's service plan limits total debt issuance to no more than \$382,440,000.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

The District has no employees and all administrative functions are contracted.

Revenues

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August, and generally, sale of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

**FITZSIMONS VILLAGE METROPOLITAN DISTRICT NO. 2
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (continued)

Property Taxes (continued)

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the mill levy adopted by the District.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes when calculated using the current year's gross taxable assessed valuation.

Aurora Regional Improvements (ARI) Mill Levy

Pursuant to the District's Service Plan, the District is required to impose a 1.000 mill levy to finance the planning, designing, permitting, construction, and acquisition of the regional improvements described in the ARI Master Plan. The ARI Master Plan is one or more master plans adopted by an ARI Authority establishing Regional Improvements, which will benefit the taxpayers and service users of the districts which constitute such ARI Authority, which master plan will change from time to time.

Expenditures

ARI Payment

During 2021, revenues collected from the ARI mill levy, net of fees, will be disbursed for the benefit of the Aurora Regional Improvement Authority, pursuant to the District's Service Plan.

County Treasurer's Fees

County Treasurer's fees have been computed at 1.5% of property tax collections.

Transfers to District No. 1

Pursuant to certain agreements with District No. 1, the District will transfer to District No. 1 (i) property taxes, net of fees, and specific ownership taxes generated from its imposition of operations mill levy to pay for operations and administrative expenditures, and (ii) property taxes, net of fees, and specific ownership taxes generated from its imposition of debt service mill levy to pay for principal and interest on bonds issued by District No. 1 in May 2020.

**FITZSIMONS VILLAGE METROPOLITAN DISTRICT NO. 2
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Debt and Leases

The District has no debt and has no operating or capital leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to District No. 1, which pays for all Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's Budget.

This information is an integral part of the accompanying budget.
